To: Competent Authorities  
Trading countries

Subject: **Export of live fish**

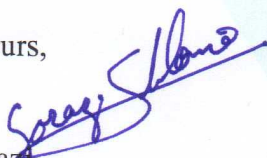

The Israeli Veterinary Services and Animal Health (Herein and after: IVSAH) are pleased to inform you that due to reorganization within the Ministry of Agriculture and Rural Development the competent authority for the export of live fish will be the IVSAH instead of the Central fish health laboratory of the Department of Fishery and Aquaculture.

The IVSAH will be grateful if you will inform the officials within your authority including at the border inspection posts about the matter.

Should you need any further information, please do not hesitate to contact me.

Please accept my highest consideration.

Sincerely yours,

Shlomo Garazi  
Chief Import & Export Veterinary Officer
